THE ST. ANDREW'S PARISH PARKS AND PLAYGROUND COMMISSION

The St. Andrew's Parish Parks and Playground Commission (the Playground) is a public service district, created by the South Carolina legislature in 1945 to provide parks and recreation services to the people of the district. For over 60 years, the Playground has been dedicated to the positive use of leisure time, conservation of our natural and human resources, and the beautification of the Charleston environment. There have been many people who have been a part of the Playground who have been touched by our efforts.
